Winemaker's Notes

Desert Wind's signature blend of Cabernet Sauvignon, Cabernet Franc, and Merlot embodies our commitment to the spirit of classical Bordeaux red winemaking. Rich aromas of smoked cedar, ripe blackberries, and currants follow through to the palate. This wine is a perfect partner for roasted meats, hearty pastas, or a prime cut of steak. Drink now or cellar for 5 or more years.

Vineyard

The Wahluke Slope is located in Eastern Washington's Columbia Valley. The site is considered Zone 3, the hottest in the region. Our 480-acre vineyard is a southern facing block with a two percent slope and shallow, rocky soil. The vines are irrigated with an underground drip system; double catch wires are used to increase air circulation during the growing season. Leaf pulling and cluster thinning are important steps in aiding the ripening of the grapes.
